

Shiri is Happy

By Nomi Frei

To my dear husband,
Who has helped me through this process.
And to my future children,
who aren't going to read that.
To my parents who brought me this far.
And to my sisters who bothered me
while I was writing this book.

Shiri is jumping.
Jumping up.

Shiri is happy

Shiri is running.
Running fast.

Shiri is happy

Shiri is singing.
Singing songs.

Shiri is happy

Shiri is helping.
Helping dad.

Shiri is happy

Shiri is reading.
Reading a book.

Reading a book,
For fun.

Shiri is giving.
Giving a gift.

Shiri is happy

Shiri is happy,
Very happy!

Jumping up, running fast,
singing songs, helping dad,
giving a gift, reading a book.

All the good things make Shiri happy
